

## UFO Spectacle Series

The UFO Series offers dramatic new safety, styling and comfort features. Each model in the series offers a replaceable polycarbonate lens and Click-To-Fit™ comfort settings to adjust the length of each temple for custom-fit. Meets ANSI standards. Bouton's Polynium Plus lens features a fogless, scratch free, static-free coating and 100% UV blocking, and is available on the 7100 and 7200 series in clear and smoke.

### 2400 UFO Majestique

Offers a stylish, wrap around metal frame. Shields eyes from flying particles. Adjustable, vinyl nose bridge allows for a custom-fit. Features bayonet-style, bendable temples and soft rubber temple tips for lasting comfort. Removeable sideshields provide extra protection. Frame colors available in Gold and Antique Bronze, and lenses available in clear, smoke and green mirror.

### 4400 UFO Stargaze

An economical solution to your eye protection needs. Shields eyes from flying particles. Lightweight, one piece lens/frame combination weighs less than one ounce. 8-base single curve lenses provide a vast field of peripheral vision. Features thin, nonadjustable temples for a universal fit. Lens/Frame colors available in clear, smoke and green mirror.

### 5500 UFO Galaxis

Radical spectacle/goggle design. Features direct and indirect ventilation. Shields eyes from flying particles. Pliable one-piece frame hugs the face for wrap-around protection and peripheral vision. Lens colors available in clear, gray, amber, mirror, green IR 3.0 and green IR 5.0 with black frame.

### 7000 UFO Mercury

The 7000 UFO Mercury is a frameless spectacle that weighs less than 1 ounce and features a 3-way adjustable temple to provide the ultimate fit. A metal core wire allows you to bend the U-Fit™ temple to rest comfortably around your ears.

### 7100 UFO Apollo

Bouton's 7100 UFO Apollo has a stylish ultralight frame with a 6-base curve, slimline lens for a full range of view and full hazard protection.

### 7200 UFO Saturn

The 7200 UFO Saturn features a single wrap-around lens design for superior peripheral and frontal protection and a wide unobstructed viewing area.

### 7400 UFO Roswell

8-base single curve lens for an unobstructed viewing area. Durable Snap-Lock™ hinges for a secure fit. Click-to-Fit™ temples adjust to almost any head size. Frame colors available in black, blue, and silver with lenses available in clear, gray, mirror and amber.

## Spectacles

### 2600 Pinnacle I

Bouton's 2600 Pinnacle I offers a replaceable single lens with seamlessly integrated sideshields for unobstructed peripheral vision.

### 2200 Metal Aviator

The contemporary design of the H.L. Bouton Metal Frame Series combines safety with quality and style.

The 2200 Metal Aviator is a classic dual lens aviator design, with hardcoated polycarbonate lenses available with or without sideshields.

### 4300 Econolite III

- Offers safety, comfort, style and an economical solution to your eye protection needs.
- Resilium and nylon frame.
- Adjustable Click-To-Fit temples
- Available in two frame colors, Black or Blue in either a Clear or Gray lens.
- Polycarbonate lens ensures safety and blocks 99.9 percent of harmful UV radiation
- Meets ANSI Z87.1 standards

**NEW!**

### 6200 BOLD Professional

Features a 6-base single curve lens with channel retention and an eye-catching air flow sideshield design. Offers bow-flex bayonet style temples with grips and a Soft-Fit™ nose bridge which prevent slippage.

### 8100 Panatech

The 8100 Panatech offers a light weight frame material, forehead-fitting Brow Bar and comfort-fit bridge to assist with voluntary compliance in the workplace.

A wrap-around lens/sideshield design provides an unobstructed panoramic view for extra protection.

### 8200 Pinnacle II

The 8200 Pinnacle II offers an innovative Flex-Radius frame that keeps the spectacle firmly in place. Click-To-Fit-comfort settings, universal size and easy to replace lens make it a smart choice. The Brace-Bar, an exclusive Bouton feature, is fully integrated to reinforce the lens and securely attach the comfort-fit nosepiece. Bouton's Polyium Plus lens features a fogless, scratch free, static-free coating and 100% UV blocking.

### 8300 Panalite

The 8300 Panalite's frame is ultra-light and ultra-durable, for a consistently secure and comfortable fit. The 8300 offers a wide range of lens colors including 3.0 and 5.0 IR with matching sideshields.

### 9500 Aviator

The economical and lightweight design of H.L. Bouton's Dual Lens Series couples value and safety.

Enjoy the 9500 Aviator with its classic aviator design in a lightweight, yet durable plastic frame.
