

Cleaners & Degreasers

03070 Contact Cleaner

Cleans light contaminants such as dust, lint, moisture and light oils. Meets performance requirements for government specifications MIL-C-81302B and MIL-C-83360C. Non-staining, non-corrosive and non-flammable. (NOTE: This product cannot be sold to non-commercial users.)

03095; 03096 Heavy Duty Degreaser

Extremely effective degreaser removes stubborn soils for more efficient equipment operation. Contains no 1,1,1-Trichloroethane or any other known ozone depleting compound. Has no flash or fire point. Non-conductive, non-corrosive and non-staining.

03180 Quick Clean

A unique alternative to 1,1,1-Trichloroethane. Removes grease, oil and dirt from parts and equipment. No flash or fire point. High dielectric strength of 26,000 volts. Leaves no residue. Non-conductive, non-corrosive and non-staining.

Part No.	Description	Units/Case
03070	Contact Cleaner 16 oz	12 units/case
03095	Heavy Duty Degreaser 20 oz	12 units/case
03096	Heavy Duty Degreaser 1 gal	4 units/case
03180	Quick Clean 20 oz	12 units/case

Corrosion Inhibitors

18412

Actively fights rust and corrosion with a film of 95% pure zinc. Protects base metal even when scratched or abraded. Excellent touch-up for damaged galvanized coatings. Hot dip protection with on-the-job convenience. Excellent weldability.

03282 SP-400

Firm, waxy film is highly resistant to humidity and salt spray, and never becomes brittle. Long term protection (up to one year outdoors) for all metals during shipment or extended storage. Can be diluted or removed with petroleum solvents. Authorized by USDA for use in federally inspected meat and poultry plants.

Part No.	Description	Unit/Case
18412	Zinc-It 16 oz	12 units/case
03282	SP-400 Coating 16 oz	12 units/case

Lubricants

03005; 03006 CRC 3-36®

Multi-purpose lubricant, penetrant and corrosion inhibitor. Displaces and seals out moisture. Penetrates through corrosion to loosen frozen parts.

03030 Extreme Duty Silicone

Premium grade silicone lubricant. For use on all metallic and non-metallic surfaces. Reduces friction and galling even on metal-to-metal contact areas. Clear, non-staining, odorless film resists moisture.

03040 Food Grade Silicone

Dry film, lubricant eliminates sticking and binding, while protecting metal, plastic and other surfaces. Harmless to most rubbers and plastics. Meets FDA Regulation CFR 21-178.3570 for incidental food contact.

03060 Penetrating Oil

A non-compromise penetrant that attacks corrosion and frees corroded parts. Frees and lubricates seized or binding mechanisms. Facilitates fast and easy disassembly of mechanical components, fittings, assemblies and other fasteners.

14050 Cutting Oil

Thread cutting lubricant for use on all types of metals including brass, copper and aluminum. Reduces heat and friction to ease cutting and increase cutting tool life. Clings even to vertical surfaces. Sulfur-free, low odor formula. Compatible with all manual and motor driven threading equipment.

03080 White Lithium grease

A high-purity NLGI Grade 2 lithium based grease. Excellent heat and water resistance. Rust and oxidation inhibitors for superior metal protection. Smooth, buttery consistency provides optimum surface coverage.

All products listed above are authorized by USDA for use in federally inspected meat and poultry plants.

Part No.	Description	Unit/Case
03005	CRC 3-36® Lubricant 16 oz	12 units/case
03006	CRC 3-36® Lubricant 1 gal	4 units/case
03030	Extreme Duty Silicone 16 oz	12 units/case
03040	Food Grade Silicone 16 oz	12 units/case
03060	Penetrating Oil 16 oz	12 units/case

14010 Wasp & Hornet Killer II

Fast-acting, high strength insecticide that knocks down and kills wasps, hornets, yellow jackets, and bees. Contains no CFCs, 1, 1, 1-Trichloroethane, or any other chlorinated solvents. Contains no known ozone depleting compounds. Plastic safe.

14071 Minute Mend™

A two-part epoxy putty packaged in a one piece stick. Formulated to bond to both wet and dry surfaces and can even be applied under water. Ready to use in less than one minute. Authorized by USDA for use in federally inspected meat and poultry plants.

Part No.	Description	Case/Unit
14010	Wasp & Hornet Killer II 20 oz	12 units/case
14071	Minute Mend 2 oz	40 unit/case
